## STUDENT ESSAY

### Directions

The essay section of this application is an opportunity for students to express their interests in pursuing a vocational-technical education. The admissions committee will read this essay to determine if you are a student who has the background, commitment, and passion to learn an occupational skill set.

This essay needs to be HANDWRITTEN. It is not to exceed one page. Please include a brief synopsis of your life and those things or people who have contributed to your quest for a Warren Tech education. The admissions committee in its evaluation of an application should have as much information as possible about each candidate. Please sign your essay.

## TRANSPORTATION

Warren Tech is a county vocational-technical high school. Courtesy busing is provided. Though it is our intent to provide the best possible match between your location and the designated bus stop, students may be required to walk to the bus stop within the state regulations. If our transportation methods do not suit the applicant, it may be necessary to ask the local sending district for assistance.

## PARENTAL RELEASE

In order to expedite the release of necessary data, you are requested to sign the following authorization statement. Unless all required records are obtained prior to the consideration of the candidate, it may not be possible to render an appropriate admission decision on a timely basis.

*I understand that the application procedure includes a review of achievements. I understand that all information obtained in the application is confidential and will only be seen by the admissions committee and administration.*

*I understand that the procedures of the admissions committee are necessary to evaluate my child's application. I understand that not all students are accepted into Warren Tech. I understand and will be in accord with the decision of the admissions committee.*

*I hereby authorize the release of any educational, health, guidance, or Child Study Team records and evaluations to the Warren County Technical School.*
